Re: Request for confidentiality

Applicant: Biocomfort Diagnostics GmbH & Co. KG

FCC ID: VUB-590086

To whom it may concern,

Request is hereby submitted by Biocomfort Diagnostics GmbH & Co. KG to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Parts list
- Internal photos

Rationale for request for confidentiality:

Biocomfort Diagnostics GmbH & Co. KG has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

Mathias Klingler
General Manager
